

## REMARKS

The sole amendment to the claims is in claim 4, in which the words "port nontranslatable" are transposed, and are amended to be "nontranslatable port." With this amendment, all references in the claims to "process-specific nontranslatable port addresses" are consistent.

In the Office Action, the Examiner indicated: "PLEASE REPLACE CLAIMS 1-12, 18-19 AS FOLLOW:"

The correct recitation of replaced claims should be: "PLEASE REPLACE CLAIMS 1-10, 12, 18-19 AS FOLLOWS:"

With these minor corrections, the claims should continue to be allowable.

Respectfully submitted,
